N o t e.

1. The Superior Officials working ~~xxx~~ in the Census Depar-ment are as follows:-

(a). Census Superintendent's Office Estaolisnment:-

1.OneHead Clerk, ...	.... pay Rs.	90	per mense
2.One Deputy Clerk,....	"	58	"
3.One third Clerk	"	30	"
4.One fourth clerk	"	20	"
5.One clerk	"	32	"
6.One Record Keeper, ...	"	39	"

(b).Abstraction Office Estaolisnment:-

Two Head Supervisors on Rs.70/- each.
Three Supervisors ....on Rs.30, 28, and 25 respectively
Two Compilers.....on Rs.20 and 15 respectively.

2. The officials of the establishment of the Abstraction Office are working in the building where the Superintendent's Office is located (in Shankarpuram Extension) from the 3rd Janua-ry.

2. The items of work that have to be completed before the Census Department can be said to have closed its operations are

(1). Printing of the Village Population Tables,

(2). Disposal of furniture,

(3). Binding of sets of Printed Census matter and

(4). Disposal of Office files, books and reserve copies of Census Report, etc.

Of these the printing of the Village Tables is the only important work remaining to be done, the ~~xxxxx~~ other items being dealt with simultaneously. The manuscript of the Village Tables of all districts is ready and arrangements have been made to correct proofs of Village Tables of ten taluks every week. The Superintendent, Government Press, who was consulted whether it was possible to furnish proofs of Village Tables of ten taluks every week so as to keep all the officials sufficiently engaged in the corrcction of proofs has written to say that the great-est number of pages he could guarantee ~~xxxxxxxx~~ in one week is 20. This number of pages would approximately make up the tables for two taluks. Upto date the proofs of tables of five taluks (out of 79) have been received. So far the proofs of the tables of the remaining 74 taluks to be ready, it will be 37 weeks or nearly 40 weeks from now, making due allowance for revision of second

proofs also. At this rate the operations will go on till the end of October next.

3. It is of course unnecessary and undesirable to keep up the existing establishment till the end of the ~~xpexxxixxxx~~ operations. A staff of superior officials consisting of One Head Supervisor, two Supervisors and one Compiler will be quite sufficient to cope with the correction of proofs. The Head Supervisor who will be retained is C. Surasena Rao, B.A. who has had experience of the Abstraction Office of 1901 and who has been working in the Abstraction Office of this Census from May 1911. He can manage the entire operations till the end. A room may be given for the Office in the Chamarajendra Sanskrit College Building Fort, and the Office ~~will~~ may be placed for disciplinary purposes under any of the following Officers who may remain in Bangalore on other duty:-

(a). Mr. M. Sadasiva Rao, Assistant to Census Superintendent, Census 1911.

(b). Mr. K.R. Krishnaswamiengar, Assistant to Census Superintendent, Census 1911.

4. The Census Superintendent's Office Establishment may be completely set free for other work by the 15th February 1913 or thereabouts in order to allow of ample time for (a) disposal by public auction of such of the furniture as may not have been taken up by Government Offices; (b). binding of sets of printed Census matter (c). disposal of records, books and copies of Census -- Report and Tables in reserve.
